

May 2008

NEWPRO and EAST COAST PETROLEUM ARE WORKING TOGETHER TO PROVIDE INNOVATIVE COMFORT AND ENERGY EFFICIENT SOLUTIONS TO NEW ENGLAND HOMEOWNERS!

Dear Homeowner:

East Coast Petroleum Corporation continues to make every effort to bring savings to our loyal customers! **EAST COAST PETROLEUM CORP** and **NEWPRO Windows** have formed a joint venture to bring you even greater savings! We've done **your homework** and want to introduce you to the most **energy cost savings performance team** for home heating, cooling and window replacement resources! As home energy costs continue to rise, it's important to look at the many ways you can conserve home energy and keep your costs as low as possible all year long.

Did you know windows and doors can be a major source of home heating and cooling loss? Now more than ever, it's time to take a look at how you can insulate your home to minimize those dollars literally flying out the windows (and doors!).

NEWPRO windows are one of the most energy efficient windows in the country and are independently rated by the NFRC with a U-Value rating of .17. They are custom manufactured by **NEWPRO** in their own Massachusetts factory and installed by **NEWPRO's** own team of factory trained craftsmen. Unlike other companies, **NEWPRO sells, manufactures, installs, services and guarantees their windows.** Just one call or click away and you connect right to the source. With one of the best warranties in the industry plus a money-back satisfaction guarantee*, you are sure to have peace of mind from a New England name for over 50 years.

CALL WITHIN **10 DAYS** TO SCHEDULE YOUR COMPLIMENTARY IN-HOME DEMONSTRATION AND RECEIVE **PREFERRED EAST COAST PETROLEUM CUSTOMER SAVINGS*-- \$100 off per ENERGY EFFICIENT NEWPRO WINDOW!**
